

## Telemetry for Nature

### BEST PRICE GUARANTEE BY AT LEAST 10%

Telenax guarantees that its prices are at least 10% lower than the lowest price that any of our competitors can give you.

We work very hard to offer our customers the best price, quality and service.

We are sure that our prices are by far the best in the market of telemetry equipment for wildlife. However, in the unlikely event that you find an equivalent piece of equipment which price is lower, equal or even up to 10% higher than ours, we will match that price and will give you an extra 10% discount. That is our guarantee.

#### Terms:

- Claims must be made before the order is placed.
- Must present copies of the other company's quotation.

- The product must be equivalent to ours in weight, lifetime, range and sensors included. Telenax reserves the right to confirm if the product is equivalent.
- This guarantee includes the sale price of the equipment. It does not include taxes or shipping costs.
